Discover a whole new world of music!

Sydney teachers experienced their own Encore Insight Series in January and were enthralled with the Encore SMART System.

"I thank you so much for these 3 days. I cannot explain with words how much I enjoyed and loved every little thing you did. I appreciate so much the knowledge you brought to us and your way of looking into teaching, exactly like Europe, the way we do in Bulgaria. I felt privileged to hear the pieces explained by the creators of the books I use... my favourite books and my students' favourite books. Thank you!"
