12 SEP Novotel Hotel, Perth

Kinder Beat is an outstanding introduction to music for children aged 2½ – 4 years. It features a variety of activities that children of the 21st century need for brain development and acceleration.

These activities include musical games and mimes, movement, songs, percussion playing and keyboard games. Kinder Beat provides a truly exciting and unique start to music using props such as streamers, rainbow rings and parachutes.

Discover a whole new world of music!
